In compliance with the duty to disclose, applicants submit herewith a copy of the European Search Report issued in a counterpart foreign application, an English-language version of the Search Report and a copy of each of the publications cited therein. Furthermore, copies of publications known to those designated in 37 CFR § 1.56 are included herewith. All publications to be disclosed are listed on attached form PTO-1449.

Since the European Search Report was issued in connection with a counterpart application and indicates the degree of relevance of each of the publications as assessed by the foreign patent office, the English-language version of the European Search Report meets the concise explanation requirements of 37 CFR § 1.98 (a) (3), see 57 Fed. Reg. 2031, comment 68 (1992).

Consideration of this Information Disclosure Statement is respectfully requested, since the Examiner may consider the information provided herein material to the patentability of the subject application as defined in 37 CFR § 1.56.

Since this Information Disclosure Statement is being filed more than three months from the filing date of the subject application, but before the mailing date of the first Office Action on the merits, no fee or certification under 37 CFR § 1.97 (e) is required.

However, in the event the Commissioner of Patents deems that any fee is required under 37 CFR §§ 1.16 and 1.17 in connection with this application, applicant's attorneys authorize that such fee be charged to Deposit Account No. 06-1130.

Respectfully submitted,
